AUXILIARY BAND OF FIFTEEN GIRLS TO BE ORGANIZED

Girls Want to Have Advantage of
Musical Instruction Too and Prof.
Young Will Organize an Aux-
iliary Band of Fifteen
Girls at Once.

Prof. J. S. Young, who is organizing
a boys' band in Maysville, announced
this afternoon that after carefully
considering the matter and after hav-
ing had many requests, he had decided
to organize a girls' auxiliary band in
Maysville of about fifteen girls. The
girls entering this auxiliary band will
play light instruments that may be
worked into the Boys' band for con-
cert purposes and that may be used to
give separate concerts on various oc-
casions.

Mr. Young says that he is planning
to have band concerts at Beechwood
park on certain nights during the
week all during the coming summer
and at these concerts this auxiliary
band of fifteen girls can be worked
into the main band very nicely.

There will be no more than fifteen
girls who will be given this wonderful
opportunity to learn to play a musical
instrument and they will have to act
and act quickly. All who are inter-
ested and desire to investigate the
matter more thoroughly should apply
at the Chamber of Commerce at once
or see Prof. Young or Mr. H. Carr Pol-
litt personally.

OHIO TOBACCO TEAMSTERS TAKE OUR CITY LICENSE

Quite a number of Aberdeen and
Ohio men have been driving teams
from Aberdeen to the Maysville toba-
cco market, hauling tobacco over
for warehousemen and farmers. The
police have recently rounded up these
teamsters and have required all of
them to procure city teamsters' li-
cense. The majority have already ob-
tained these licenses and may now op-
erate through the city streets for the
balance of the year.

"FLU" IMPROVES IN EAST END

The influenza this time seems to
have struck the East end of the city
harder than any other section of the
town but at the present time it ap-
pears that the situation there is con-
siderably improved. The majority of
the cases are very mild and the pa-
tients are doing nicely.

RYDER PAINT STORE TO MOVE TO WILLIAMS' CORNER

Mr. J. F. Fansler, Proprietor of the
Ryder Paint Store, Leases Wil-
liams Building at the Corner
of West Second and Sutton
Streets.

Mr. J. F. Fansler, proprietor and
manager of the Ryder Paint Store,
this afternoon procured a lease on
the Williams building at the corner of
West Second and Sutton street which
was formerly occupied by the Caven-
dish Five and Ten Cent Store and will
move his popular paint and paper
store to this location immediately.

This move is being made by Mr.
Fansler to properly care for his rap-
idly growing business. In his pres-
ent location he is cramped for room
and does not have enough room for
his display that he will have in the
new location.

The Williams corner is one of the
best retail locations in the city and
first floor sales room is very large
and will give plenty of room for the
Ryder Paint Store's stock of goods.

Since purchasing the Ryder Store
Mr. Fansler has seen the business
steadily grow and has made many im-
provements. It is safe to say that in
his new location his business will be
greatly increased.

SMALLPOX QUARANTINE NOW LIFTED

Dr. J. S. Locke, County Health Of-
ficer, went to Rectorville today where
he lifted the smallpox quarantine in
that community. Dr. Locke is to be
congratulated upon the manner in
which this case of smallpox was han-
dled. Fortunately the disease was con-
fined to the original case.

JONES-WAMBLEY

Mr. Oliver Wamsley, aged 21, and
Miss Edith Jones, aged 21, both of
Manchester, Ohio, were married in
the County Clerk's office here this
morning by County Judge H. P. Pur-
nell.

BABY DIES

The year old child of Mr. and Mrs.
Henry Ring, of the Orangeburg neigh-
borhood, died at the home of the pa-
rents today. Burial arrangements are
not complete.

The City Board of Health will
probably take no action on closing East
end stores after 6 p. m. as some of the
grocers had requested them to do.

FLU DECREASES IN BOTH COUNTY AND CITY IS REPORT

Reports Reaching Dr. Locke's Office
Indicate That Disease Is Now on
Wane—Country Merchants
Complain Against Clos-
ing Order.

Reports reaching the office of the
city and county Health authorities
last night and this morning are the
most encouraging that have been re-
ceived in the past three weeks and Dr.
J. S. Locke, City and County Health
Officer, is of the opinion that the in-
fluenza epidemic which again threat-
ened us has passed over and that the
steady decline in new cases so long
looked for is here.

Final reports on conditions Thurs-
day show that there were but 43 new
cases developed Thursday while on
Wednesday there were 73 cases and
on the previous Monday 121 new cases
were reported.

Complaints by the wholesale came
into health department headquarters
yesterday and today from country
merchants against the evening closing
edict and many have urged that this
restriction be removed just as soon
as possible. Dr. Locke today gave it
as his belief that the situation would
be cleared up within a week to re-
move these restrictions and again al-
low the country stores to remain open
at nights.

PLAN OVATION FOR OUR RETURN- ING SOLDIERS

Maysville folks have begun to dis-
cuss planning an ovation for Mays-
ville and Mason county soldiers who
have returned from service in this
country and overseas during the great
war. It is more than likely that the
Chamber of Commerce and the Coun-
ty Council of National Defense will
plan some sort of ovation for the re-
turned heroes during the coming
summer. A reunion that would bring
together all Mason county soldiers at
Beechwood park would be something
worth while.

BIG FURNITURE SALE CONTINUES

The big sale of furniture at Mell-
vain, Knox & Diener's big store con-
tinues and every day finds the large
store filled with bargain seekers. It
is expected that the big store will be
crowded again Saturday. This store
is offering some unheard of bargains
in high class furniture.

The Maysville Boys' Band is still in
need of six new members. Prof. Young
said this morning that as all six of the
instruments were already here there
would be no delay and the six boys
coming in late would soon be able to
catch up with the other fifty-one who
are now taking lessons. Boys desir-
ing to take this opportunity are asked
to call with their parents at the band
room in the Caproni building where
they can talk the matter over with
Prof. Young.

Many property owners who have
failed to pay their county and state
taxes before the time limit expired
are now paying their tax with the
penalty before it is time for the sher-
iff to sell the property for taxes.

Local liverymen have complained to
the police since the discovery of val-
uable robes in the possession of two
young negroes yesterday that they
have lost valuable robes from buggies
in front of their places of business.

Prof. W. J. Caplinger, who has been
confined to his home on East Second
street with a severe cold, is again able
to be at his office.

Mr. John King, of West Third street
who was very seriously ill with pneu-
monia last night, is reported as slight-
ly improved today.

CLUE TO ROBBERY FOUND AT NOON TO BE FOLLOWED

Silver Napkin Ring Stolen From the
Residence of Mrs. Abner Hord on
Wednesday Night Is Found in
West Third Street Yard.

About noon today when Mr. S. D.
McDowell was walking West on Third
street he noticed something shining
in the front yard at the residence of
Mrs. Louisa Helmer at West Third
and Wall street. He investigated and
found that the shining article was a
silver napkin ring upon which was
engraved the initials "O. S. H." The
ring was given to Mr. Henry Helmer
who at once recognized the initials as
those of Mr. Oliver S. Hord, whose
home had been ransacked by burglars
a few days ago.

Mr. Helmer took the napkin ring to
the office of the Chief of Police and
turned it over to him. This may be
the clue that will lead to the arrest
of the would-be robbers. Chief Ort
and his men working on this clue will
make thorough investigations immedi-
ately and some inquiries and arrests
may be expected to follow.

The napkin ring had not been mis-
sed from the Hord home, Mr. Hord af-
ter investigating, missing only a 38
caliber Colts revolver.

OH SAMMY SATURDAY NIGHT

Oh Sammy the new comedy with
music and girls will be seen at the
Washington Saturday night and will
produce the most delightful evening
of the theatrical season, if advance
reports can be depended upon. Every
report which comes ahead speaks of
the show as the hit of all times in a
laughter way. The play introduces a
chorus of shapely girls and abounds
in comic situations, built naturally,
and to entertain all classes of thea-
tergoers perfectly.

SEVERAL WILL ATTEND FARM- ERS' MEETING

It is understood that several Mason
county farmers are very much inter-
ested in the Farmers' Week program
which is to be held at the University
of Kentucky in Lexington the first of
February. County Agent George Kirk
is anxious to have a good sized dele-
gation of progressive farmers go up
from Mason.

PROGRESS BEING MADE ON BOYS' GYM PROJECT

Those local gentlemen who are in-
terested in establishing a gymnasium
in Maysville for the boys of the com-
munity report that their plan is be-
ing met with encouragement from all
sources and that they expect to have
a suitable room rented in the very
near future and begin work with the
youngsters.

Rev. W. H. Morris, who had planned
to attend a meeting of prominent
Methodists at Columbus, Ohio, this
week in the interest of the Centenary
program, was unable to leave Mays-
ville when his wife developed influ-
enza. Mrs. Morris' many friends will
be glad to know that she is now much
better.

Mrs. Margaret M. Elston, (nee
Evans), widow of Edward Elston, for-
merly of Bellevue, Ky., died at her
home in Covington yesterday, aged 67.
Burial will be made at Dayton, Ky.,
Saturday.

Lettie Gray, colored, who was found
to be insane a few days ago, was taken
to the state asylum for the insane at
Lexington yesterday by a colored
guard who came from that institution.

No improvement is reported in the
condition of Officer Dudley Bloomhoff,
who is said to be very seriously ill at
his home on Fourth street.

GOOD FELLOWSHIP PREVALES AT THE BIG METHODIST REVIVAL

Musical Program Is One of the Great
Features of Special Evangelistic
Campaign at Third Street
M. E. Church.

In carrying forth the musical part
of the Centenary Evangelistic cam-
paign at the Third Street M. E.
Church it has been the aim of the di-
rector Mr. Carl Dodds to give a var-
iety of special selections each even-
ing that will not only please all sorts
of tastes for Gospel singing but will
give opportunity to use all the voices
in some special part thereby proving
that with the right sort of training
many an ordinary voice can be made
good use of in the great work of the
church. The girl's quartet last even-
ing which was so thoroughly enjoyed
showed the fine touch of the musical
director. The blending of these young
voices in the beautiful harmony as
they gave the message of "The Pilot
of Galilee" was indeed inspiring. The
special selection this evening will be
in direct contrast to that of last even-
ing. A large chorus of strong male
voices will sing "The Church in the
Wildwood." This is an old favorite
that never fails to please. If you have
heard it you will want to hear it
again this evening; if you have never
heard this old favorite come and hear
it this time.

The theme for the sermon will be
"The Closed Door." The aim of the
preacher has been to show his hear-
ers something of the great love of God
for sinners—to show them that the
door stands wide open with God's
hands beckoning the sinner to forsake
his sins and enter. But there will
come a time when this door will be
closed. All need to heed the warning.
Come and hear the message this even-
ing. Spread the good news to those
around you that the evangelistic fires
are burning at the Third Street Meth-
odist Church. Good fellowship pre-
vails. Members of other churches are
helping to make the meeting a suc-
cess. The preacher has repeatedly as-
sured his hearers that the meetings
were to help make men and women
better and more like Christ. The mat-
ter of which church they join is a
secondary matter. Therefore the mes-
sage is to you. Come.

eries this year. Supply limited. 1 mo

RUNAWAY BOY FOUND AT LOCAL RAILROAD STATION

Fifteen Year Old Colored Boy Who
Ran Away From His Home at
Winchester Is Found in L. &
N. Station—Held Here
For His Father.

Police Thursday night found John
Straus, fifteen year old colored boy,
whose home is at Winchester, Ky.,
at the local L. & N. station where he
had gone to sleep and placed the lad
in the detention ward at the county
jail.

Straus, who is very small for his
age, ran away from his home at Win-
chester, Ky., several days ago. He
caught a freight train at Winchester
which he rode to Ashland, he told
the police, and then caught a freight
at Ashland and came to Maysville.
Arriving here in the night and having
no place to go, he found the L. & N.
depot where he undertook to sleep
during the night.

Investigations this afternoon dis-
close that the boy's father, who is a
colored preacher, is now in Mason
county near Mayslick and the local
police have been endeavoring to com-
municate with the father to have him
come here for his son. Pending the
father's arrival, the boy is being safe-
ly kept in the detention ward.

DISCUSS LICENSING SPECULA- TORS

City officials have discussed recent-
ly the licensing of speculators or pink-
hookers on the Maysville tobacco
market. Other cities in the state have
done this and have been able to ob-
tain quite a revenue in this manner.
The matter will be discussed thor-
oughly before any action is taken ei-
ther way.

FEW TRUANTS REPORTED

The city school officials report that
there are few truants being reported
just now as the example given one
lad by Chief of Police Ort and Juve-
nile Judge Purnell a few days ago is
thought to have soaked into the boys.
It is expected that the truant officer
will have little trouble in the future.

SATURDAY LAST DAY FOR ORDER- ING NITRATE

County Agent George Kirk must on
Saturday evening wire Mason coun-
ty's requirement of Nitrate of Soda to
the government and all orders for this
fertilizer at government prices must
be placed with him some time Satur-
day.

BOY THIEVES RETURNED TO NEWPORT AND GAVE UP

Young Men Who Had Attempted to
Skip Ball, Evidently Became
Frightened When They Mis-
sed Their Partner and Re-
turned to Surrender
Themselves.

Chief of Police Harry A. Ort today
learned from the officials of the Ju-
venile Court in Newport that the
three boys who together with Clifford
Rhein, held in the local jail, were
charged with burglary and house-
breaking in Newport and who were to
report to the juvenile court in New-
port yesterday, showed up at the ap-
pointed time.

According to the story of Clifford
Rhein, who surrendered himself to
Maysville police Wednesday night, all
of the boys were in Maysville Wed-
nesday night, all of the boys were in
Maysville Wednesday on their way to
Huntington, W. Va., to evade trial.
Rhein says that he left the other boys
here while they slept in a freight car
and looked for police to give the boys
up.

It is thought by the officers
that when the boys discovered that
Rhein had gone they became frighten-
ed and feared that he would do just
what he did do and therefore caught
a freight train for Newport and ap-
peared in court at the appointed time
for trial.

MUCH TOBACCO IS PUT INTO THE BULK

The rain of Thursday brought to-
bacco into good order for removal
from the barn to the bulk and as
farmers were waiting on damp weather
it is expected that the new
days will find many growers
stripping room. It is esti-
mated more than one-third of
this section has already
keted.

OUR POLICY
 To support such measures as are unquestionably for the good of Mason County as an entire community, rather than such propositions as are in favor of the individual interest, or of one section as against another. And likewise to earnestly and consistently oppose all things that are not for the good of the County as a whole.

—MASTER— COMMISSIONER'S SALE

MASON CIRCUIT COURT
 Ida M. Bradford's Executor, et Al.,
 Judgment, and Order of Sale
 On Petition Ex Parte

In obedience to a Judgment and Order of Sale in the above-styled action, I will, as Master Commissioner, on

MONDAY, JANUARY 27th, 1919,
 At 1:30 o'clock p. m., proceed, at the Court House door, in Maysville, Kentucky, to sell, at public outcry, and to the highest and best bidder, the hereinafter-described real estate, in order that the net proceeds from said sale may be divided among the parties thereto entitled, in accordance with their respective rights therein.

Said real estate is bounded and described as follows:
 That certain farm known as the Ezekiel Williams Farm, lying on the waters of Flat Fork, Mason County, Kentucky, and consisting of two tracts bounded as follows:
FIRST TRACT: Beginning at a stone standing in an island in Flat Fork, corner to the lands of W. W. Boens, and Duncan, thence with Duncan's line 14½ E. 24 4-5 poles, and 32 E. 52½ poles, N. 65 E. 7 poles 8 links to a stone in Flat Fork; thence N. 24½ E. 17 poles 1 link to an Elm Tree corner to Gray and Mitchell, thence with Mitchell's line S. 54½ E. 39 3-5 poles to a sugar stump; thence N. 76 E. 84 8 links to a stone S. ¾ E. 87 1-5 to a stone standing in Boens thence with same continuing W. T. Boens, N. 89½ W. 165 poles beginning, containing 65 acres poles.

SECOND TRACT: Beginning at a stone to A. E. Gray, at the palisade; thence S. 32 E. 16 6-10 to the center of the turnpike; thence the center of same N. 43½ E. 3 poles N. 44½ E. 26 3-10 poles to a stone, corner to E. A. Gray, thence with her line to the beginning containing 4 acres, 3 rods and 30 poles.

THIRD TRACT: Beginning at a stone in Williams' line; thence with his line to Collopy's line; thence with his line North 36½ W. 97 links to the beginning containing 1 acre. Being the same land conveyed Ida M. Bradford, by A. G. Sulser, by Deed dated October 1916, and recorded in Deed Book 118, Page 570, records of the Clerk of the Mason County Court. Said three tracts containing in all 71 acres, no roads and 5 poles.

There is however excepted out of the above lands the following parcel of land, which conveyed George Anderson, by said Ida M. Bradford, by Deed dated March 11th, 1918, and recorded in Deed Book 120 Page 169, and described as follows:

Beginning in the center of the road to James Selby, thence with Selby's line up Flat Fork N. 30½ W. 4:25 chains to a stone in the fence; N. 35 W. 6:47 chains to a point on the East side of Flat Fork; thence crossing Flat Fork S. 84 W. 66 links to a haw bush on the West side of the Creek; thence up the Creek, N. 18½ E. 6:32 chains to a fence post N. 35 313-444 E. 13:20 chains to the fence post in Mike Guilfoyle's line thence with his line S. 60½ E. 1:57 chains to a point on the East bank of said Creek; thence N. 38 E. 4:2 chains to a stone at the end of a stone fence, corner to Guilfoyle; thence with his line S. 52½ E. 5:14 chains to a hackberry, S. 50½ E. 4:76 chains to a fence post; N. 79½ E. 18 ns to a stone on the West side of pike; thence down the pike S. 56½ E. 7:33 chains to a point on the East side; S. 53½ W. 14 chains to the corner of same; S. 57½ W. 19:52 ns to a point on the West margin; S. 55 W. 10:22 chains to the beginning, containing 42:16 acres, leaving the part to be sold in this action as 3 rods and 20 poles.

TERMS OF SALE:Said real estate will be sold as a whole and upon a credit of six (6) months. The purchaser will be required to execute a Sale Bond for the purchase price, with approved personal security, payable to me as Master Commissioner, and bearing 6% interest thereon from the day of sale. Said Sale Bond will have the force and effect of Replevin Bonds, with a lien retained therein upon the property sold, in order to secure the payment of the purchase price.

A. G. SULSER,
 Master Commissioner.

UPTURN IN MARKET PRICES OF LIBERTY BONDS IS IMMINENT

**SOME LIQUIDATION INEVITABLE,
SAYS ANNALIST, BUT IT IS
HEALTHY CONDITION.**

The fact that the market price of Liberty Bonds is still below par has brought forth endless discussion among persons who either seek or try to give the reasons for the prices. The present prices of Liberty Bonds have also been a factor in contributing to pessimistic stories as to the difficulty which the nation will have in floating a Fifth Loan.

The situation seems to be so well set forth in a recent article in The Annalist, New York financial weekly, that we are reprinting a part of the article:

Every loan floated, whether it be corporate or governmental, requires a certain amount of time to become seasoned. This will be particularly true of our national loans, which have all been sold during periods of tremendous pressure where every appeal was made to the buyer to take the maximum, whether or no the security was suited to his needs or within his ability to pay.

Gradual liquidation from small holders is as inevitable, therefore, as the law of survival. He shall take who hath the power, and he shall keep who can, and it is in keeping that more strength of character is required than in the resolution necessary to bring one to the point of signing the application. The gravitation that is going on, therefore, is a healthy function, except, of course, where selling is induced by unscrupulous swindlers. The liquidation from this source represents so many footprints of the bonds in passage from the hands of the weak to the strong, and every sale that takes place on the board emanating from this source is one step nearer to a solid market for Liberty Loans, since it is a well-known characteristic of those who buy in a declining market to hold either for permanent investment or for so substantial a rise that they are amply compensated for their carry.

Much of the money realized from bonds sold to produce writeoffs in the income tax will either lie in banks or go into short-time securities for investment after the new year, and the switching by savings banks may be safely counted upon to do nearly as much good to the market price of the Liberty Loans as it can harm to rails and municipals. As a matter of fact the taking of tax exemptions from an institution unaffected by taxes and the resale of the same to private individuals is only the natural result of gravitation of securities into the final niche in which they are most efficient.

It is confidently believed, therefore, that a turn in the tangent of bond prices is at hand with an especially cheerful prospect for our national loans.

A Red Cross Customs Department in England has already received and dispatched \$101 parcels of dutiable goods intended for the Yankees.

FRENCH LASSIE WAS A GOOD AMERICANO

Interesting Story of French Maiden Who Though Near Out of France Was a Good Americano.

There wasn't much left of Conegliano—just ragged stone walls and heaps of masonry and piles of debris and hungry people. Some of them had lived through the bombardment, others had been refugees and had made their way back to their native village after the Austrians retreated. And there was a good Americano there, too—little Maria, who appeared at Red Cross headquarters with a big basket and a smile and who pointed to the stars and stripes and announced: "Io buono Americano."

Her mother and two of her three sisters were ill. One brother had been killed, another brother was in the army. Her father had been dead several years. There were a couple of rooms left to their house, though, so, really matters might have been worse, as the little Italian girl said, with surprising philosophy, to one of the Red Cross workers.

The "good Americano"—who, of course had never seen America, or traveled more than twenty miles from the town—went back home—if what a shell leaves of a house may be called home—with rice and beans and bacon and condensed milk and her mother and sisters and herself had that day a meal that seemed a sumptuous banquet by comparison with the steady diet of cabbage soup which was all they had for weeks before the Austrians retreated. And the next day, and the next and the next they had American Red Cross food, and after a couple of weeks the "good Americano" was quite a healthy looking little girl and the mother and sisters were getting well. And the child never failed to announce, "Io buono Americano" when she came to the American Red Cross place in Conegliano.

A penny collection on the streets of Cuba brought in \$260 for the first American war orphan. The Red Cross is looking for that orphan now.

LAZY BIRDS HIDE WITH HOBO ON BRAKEBEAMS

San Francisco, Cal.—Birds are fast taking the place of hoboes on the brake beams of trains, according to John E. Sexton, president of the Eureka-Nevada Railroad Company of Paliade, Nev., who arrived in the city.

Sexton says birds, especially sparrows and innets, are extremely lazy this year, and instead of flying from the East to the West are riding the brake beams.

Citing an instance, Sexton said that about 300 birds riding on a Southern Pacific train passing through Nevada from the east recently flew from beneath their perches on the coach when the train passed over a high crossing.

HIDDEN DANGERS

Nature Gives Timely Warnings That No Maysville Citizen Can Afford to Ignore.

DANGER SIGNAL NO. 1 comes from the kidney secretions. They will warn you when the kidneys are weak. Well kidneys excrete a clear, amber fluid. Weak kidneys send out a thin, pale and foamy, or a thick, red, ill-smelling urine, full of sediment and irregular of passage.

DANGER SIGNAL NO. 2 comes from the back. Back pains, dull and heavy, or sharp and acute, suggest weak kidneys and warn you of the danger of dropsy, gravel and Bright's disease. In that case Doan's Kidney Pills have been endorsed by thousands. Here is a statement of a nearby resident:

Jas. M. Newton, Gum, St. Aberdeen, Ohio, says: "I have used Doan's Kidney Pills off and on for several years and have been greatly benefited. Whenever my back has been weak or when my kidneys have been too frequent in action, I have used a box or so of Doan's Kidney Pills, which I get at Wood & Son's Drug Store. They have always relieved me in a short time."

The above is not an isolated case. Mr. Newton is only one of many in this vicinity who have gratefully endorsed Doan's. If your back aches—if your kidneys bother you, don't simply ask for a kidney remedy—ask distinctly for Doan's Kidney Pills, the same that Mr. Newton had. 60c all stores. Foster-Milburn Co. SUCCEEDS HIS FATHER

We are glad to be able to announce that John W. Scruggs has been appointed to succeed his deceased father, S. P. Scruggs, as agent for the L. & N. and C. & E. S. railroads, at Flemingsburg Junction. There were several applicants for the place, which is probably the best paying agency anywhere on the system, and was sought after by able men, old in the service, but John W. Scruggs has grown up in the office and can fill the place well, better than a new man. We congratulate him on his appointment.—Flemingsburg Times-Democrat.

OH SAMMY A FAIRBANKS NOVEL WITH ACTION

The new comedy with music and girls, Oh Sammy will be seen at the Washington next Saturday and those who like a hearty laugh and pretty girls are getting ready to enjoy themselves. Its strong point is its laugh provoking qualities. It is so constructed that there is no chance for any one to withstand it. The biggest grouch in the world would be certain to capitulate to this irresistible attraction. It is built for laughing purposes and played laughingly to laughter that is good for an audience.

MAYSICK HIGH TO PARTICIPATE IN VOCATIONAL TRAINING BUDGET

Mason County School Will Receive Apportionment Under the Smith Hughes Act For the Teachers of Agriculture — Many State Schools Participate.

The Vocational Education Board of Kentucky has passed upon the amount of money to be allowed from July 1, 1919, to December 31, 1919, to the various schools engaged in vocational training under the Smith-Hughes act. A total of \$26,109.85 was allowed for the work.

For teachers' training \$10,020.47 was allowed, of which the University of Kentucky, Lexington, will get \$6,622.21 and the Kentucky Normal and Industrial Institute, Frankfort, \$3,392.26.

In the trades work an allotment of \$1,395.75 was made \$1,558.25 to go to the Louisville city schools and \$2,647.50 to the Kentucky Normal and Industrial school.

A total of \$996.85 was apportioned to the home economics work, the following high schools to participate in the fund: Owensboro, Somerset, Paducah, Morfield, Mt. Sterling, Louisville, for white pupils and Georgetown, Frankfort, Owensboro, Mt. Sterling and Louisville colored schools. The Hindman Settlement schools also got an appropriation for Home Economics work.

Among the twenty-five high schools in the state who will receive \$7,286.28 for the agricultural fund, is the Mayslick High School, of this county. Mayslick is the only school in Mason county participating in this fund.

WANTED

An industrious boy between ages of 14 and 16 to work at this office. Apply at once.

Fifty thousand dollars is an average day's business at the A. R. C. "dollar exchange" at the Liverpool docks, where the Yanks cash in their francs and shillings for regular money.

Peace Will Put New Value on the Dollar

The greatest merchants and industrial chiefs in the country agree that there will be a readjustment during the peace period. There will be a gradual decline in prices and a gradual improvement in the buying power of money.

The secretary of the treasury has a pretty good opportunity to form an opinion of financial tendencies. He says:

"Every dollar saved now and invested in Liberty Bonds will be worth much more when peace readjustment comes. Every provident man and woman in the United States may find their savings double in purchasing power in the next few years. How can any one more certainly make money than by saving it now with assurance of its enormous enhancement in value when normal conditions are restored?"

The war took 58,000,000 men out of productive civil life and turned them into non-productive soldiers. To supply them all the governments in the world went into the markets and began to bid for everything. Demand increased by leaps and bounds while supply remained stationary or was going down. Result—higher prices and declining buying power of the dollar.

Liberty Loan Levy

Here's the peace table all of us pray for. But there's one whom a cover is laid for. Who will sit with more grace (Yes, in Uncle Sam's place) If assured that the "feed" can be paid for.

WOMAN SO ILL COULD NOT WALK

Lydia E. Pinkham's Vegetable Compound Restored Her to Health.

Perth Amboy, N.J. — "For three years I suffered with a severe female trouble, was nervous, had backache and a pain in my side most of the time. I had dizzy spells and was often so faint I could not walk across the floor. The doctor said I would have to have an operation. I read about Lydia E. Pinkham's Vegetable Compound in my newspaper, and

tried it. Now I am better, feel strong, have no pains, backache or dizzy spells. Every one tells me how well I look, and I tell them to use Lydia E. Pinkham's Vegetable Compound — that is what makes me feel well and look well. I recommended it to my sister and she is using it now. You can use this letter if you wish, for it is certainly a grand remedy for a woman's ills." — Mrs. MARTHA STANISLAWSKI, 524 Penn St., Perth Amboy, N.J.

For forty years Lydia E. Pinkham's Vegetable Compound has been overcoming such serious conditions as displacements, inflammation, ulceration, irregularities, periodic pains, backache, dizziness, and nervous prostration of women, and is now considered the standard remedy for such ailments.

HERES IS A BRAND NEW SWINDLING GAME

Mr. Beall's Scheme Bears the Ear-Marks of a Genius for Getting Quickly Rich; Poses as Munitions Victim.

And now comes a quiet, modest young man who gives the name of J. D. Beall. All he wishes is to raise a little money by working on the sympathies of the good people of New York. His stock in trade is evidently a Ministers' Year Book, for it is essential that he know the names and addresses of ministers.

First he or a confederate calls up a church or an individual, the telephone call purporting to be from a tubercular clinic. It is explained that the clinic has under its care a young man whose lungs have been affected by the fumes of a munition plant in which he had been working. Perhaps the church has a hospital where the might be sent for treatment, as he was a member of — Church, in H—, a Middle West City.

After some consultation it is thought best to send the young man to his former home, but for this assistance must be given, as he has but \$15. The young man is asked to call on the benevolent individual the next morning.

A few hours later another telephone call comes. This purports to be a

PASTURE CROPS FOR THE HOGS

I am a young farmer who has taken charge of a stock farm in southern Arkansas. There is plenty mast and wild grass here to keep a common hog alive, but to raise hogs successfully one must grow pasture and feed crops.

We have a fine herd of Durocs and find it a great saving in both feed and labor to raise plenty pasture. Rape is the quickest pasture we can grow and combined with a little grain makes pigs grow rapidly. In this locality rape can be grown in both spring and fall. We are now starting to pasture a patch sown August 20 that is eighteen to twenty-four inches high. With corn around \$1.75 per bushel, shorts and tankage almost unobtainable, a rape pasture is a great money saver and is a crop that puts the profit in hog raising.

We also plant rye, which is another fine pasture crop. It comes in after our rape is exhausted in the late fall, and will last, if not pastured too heavily, till we have spring rape. A few acres of rye planted on good ground convenient to the hog lot is extra fine to let young fall pigs graze on through the winter. This will give them a good appetite, keep them sleek, and save a lot of feed.

A good summer pasture crop is cowpeas, but hogs don't care extra much for them unless forced to eat them. When hogs are pastured on cowpeas they need an extra amount of water.

But if you want to see those pigs and porkers grow, just turn them in a peanut patch. We have thirty shoats weighing around one hundred pounds each on four acres of peanuts and they sure are sleek. We have movable fences and pasture a part at a time. At the present rate they are consuming them, the four acres will last sixty days and we expect that by then they will weigh 150 pounds each, a gain of 1,500 pounds off four acres.

These nuts were grown on land that would not make good corn or much cotton. Peanuts are very easily worked, and they can be moved before hogging off. Peanut hay is a very good feed if cut at the right time and taken care of.

Another good crop is sweet potatoes. They are a little more trouble, but the large yield offsets the trouble and labor. The potatoes should be dried and taken care of the same as for market and fed along through the winter.

If rye and rape are pastured the hogs should be ringed as they will root up a great amount of the pasture.

COLLEGE GETS CHINESE LIBRARY OF 50,000 BOOKS

Berkley, Cal.—Kiang Kang-hu, assistant professor of Chinese in the University of California, recently presented to the university his large Chinese library, consisting of 50,000 volumes, collected and handed down to him by his ancestors. The library was originally considerably larger, but 20 per cent. of the books having been destroyed during the Boxer rebellion. With this addition the library of the university is now considered to have the largest collection of Chinese books in the country, with the exception of the library of Congress.

GIRL MISPLACES LODGINGS

Los Angeles, Cal.—Miss Virginia Armor, 18 years of age, came to Los Angeles from Santa Barbara, engaged a room, left her suitcase in it, and started to see the town. When she was ready to return to the hotel she could not locate it.

On appealing to the police she was given lodging for the night in the matron's department of the city jail, and was then taken to the Women's Training home. The next day she went out with a policeman to every hotel on Fourth, Fifth, Sixth and Seventh streets, but could not find the right one. Now she and the police department are waiting for the hotel proprietor to find her.

New Toll Rates Effective

January 21st, 1919

Order No. 2495 of the Telephone and Telegraph Administration issued by the Post Master General at Washington December 13th, a new toll rate is ordered effective January 21, 1919.

According to our interpretation of this order the toll rate will be classified as follows:
The day rate applies between the hour of 4:30 a. m. and 8:30 p. m. Evening rate between 8:30 p. m. and 12 midnight for station-to-station messages only, and shall be approximately 50 per cent. less than the day rate, but no night rates less than 25 cents.

The night rate between 12 midnight and 4:30 a. m. shall be approximately 75 per cent. less than the day rate, but no night rate less than 25 cents. Person-to-person messages shall be approximately 25 per cent. higher than station-to-station calls.

Calls which require service of a messenger shall take the appointment rate, plus cost of messenger fee. A report charge of approximately 25 per cent. of the station-to-station rate will be made on all person-to-person calls, when person desired is not in or will not talk or if calling party is out when connection is completed within one hour after filing time.

KENTUCKY REPORTER IS NAMED TREASURY ASSISTANT

Jouett Shouse, Former Well Known Kentucky Newspaper Man, Named Glass' Assistant.

Washington, D. C., January 24—Hon. Jouett Shouse, representative in Congress from the Seventh District of Kansas, formerly of Lexington, Ky., has decided to accept the offer made by Secretary Glass of the Treasury Department, of the position of Assistant Secretary of the Treasury. It is expected that Mr. Glass will immediately make a recommendation to this effect to the President, and Mr. Shouse's formal nomination to this post may be expected in a very short time. It is likely that Mr. Shouse will serve out his term in Congress, which expires March 4, and immediately thereafter enter upon his duties as Assistant Secretary of the Treasury.

Jouett Shouse was for many years a well known newspaper man. He was a reporter on the Lexington Herald and later presided at the City and State desk of that office. He is well known by many Maysvillians who heartily congratulate him upon his success since he "went West."

Colonel Fred Bassett is in Maysville today calling on his large trade.

WAITING FOR THE GOOD NEWS TO COME HOME

Says George Mills, Maysville Man, With the American Forces in Italy—Former Ledger Employee Has Been in France, England, Italy and Austria.

Mr. and Mrs. Fred Cablish have just received the following letter from Mr. George Mills, Maysville man and former Ledger employee, who is now in Italy with the American Expeditionary Forces:

Treviso, Italy, Christmas Day, December 25, 1918.

Mr. and Mrs. Fred Cablish.

Dear Friend and Edna:

Just a few lines from Sunny Italy on a Christmas Day, so just imagine yourself being on the shores of Italy, it may be a glorious imagination, but to really be there is so much different, but anyway we are all glad the war is over, no matter where we spend the day, so I am glad to say this letter leaves me enjoying the best of health and getting along fine, and just waiting for the good news, that we are to sail for America. The U. S. A. is sure a grand place, and every soldier abroad realizes it. No doubt but what our regiment has seen more than most of them. I have been in France, England, Italy and when the drive started on the Italian front which put an end to the war, we advanced from Treviso, Italy, into Cormons, Austria, where we staid 12 days, and then we came back to the same city that we started from, so I spent my Christmas in Treviso, Italy. I have not heard from Ludwell lately but I hope he came through o. k., and I feel as though he did. I want to thank you both for the Xmas remembrance you put in the box that mother sent me. I assure you they were highly appreciated but here's hoping my next Xmas remembrance does not have to cross the pond, for that sure is some body of water. How is Evelyn? Tell her I said hello, and give my best to Jake, Bill, Millard Williams and the Ledger force, and the rest you see. Trusting this will find you all in the best of health, and if not to see you soon, to hear from you.

Good-bye, as ever your friend,

GEORGE.

Private George P. Mills, Company A. 32d Infantry, American Exp. Forces, Italy. A. P. O. No. 901.

Things have been quite busy about the mayor's office for the past few days when many people paid their annual apportionment on sidewalk and street improvements.

PLAN TO CONCLUDE THE CAMPAIGN FOR MORE MEMBERS

Chamber of Commerce Membership Committee Plans to Conclude Drive For New Members—Organization Worth Much to Community.

Chairman A. L. Merz and the other members of the Membership Committee, appointed by the Board of Directors of the Chamber of Commerce, to conclude the membership campaign inaugurated by the last Board of Directors, met in the organization's office yesterday afternoon and formulated plans for the campaign.

The Chamber of Commerce has been a very important factor in the development of the Commercial and Industrial Activities of the city during the last three years and even during the period it was known as The Business Men's Club, it did a great work in advancing the interests of the city. Of course a great deal of this work was fathered by some of the most public spirited citizens, but they were greatly assisted in their endeavors through the cooperative spirit, such an organization affords.

One of the chief benefits that has been derived for the community at large, is the enormous growth of the tobacco industry in the last few years, due mainly to the unified efforts of some of the Chamber of Commerce members. The splendid feeling existing toward the Maysville market by the farmers of Mason and adjoining counties, is in a measure responsible for the rapid growth of the market and the men who have helped make the market the success it is, attribute much of the success to the cooperative effort of their fellow Chamber of Commerce members.

Through the organization's effort for improved roads and visitation in the various neighborhoods in an endeavor to cement and strengthen the kindly feeling of the farmer toward men of the city, it has proved its worth, time and again. Prices play the important role in inducing the tobacco raiser to market his crop in Maysville but they must also be coupled with desirable trading facilities.

There lies before the tobacco industry, a great future in the city of Maysville and the desired market can be more quickly obtained through a more united effort of the interested parties, and these interested parties should be you and me. Let's all pull together and make ours the best organization of city and county men in America.

MRS. WATSON OF DETROIT

Was Weak, Tired All the Time—Made Perfectly Well By Vinol.

Detroit, Mich.—"I got into a weak, run-down condition, no appetite, tired all the time and headaches—but had to keep around and do my housework. I read about Vinol and tried it—with in two weeks, I commenced to improve, and now have a splendid appetite and feel stronger and better in every way."—Mrs. John F. Watson.

There is no secret about Vinol—It owes its success in such cases to beef and cod liver peptones, iron and manganese peptones and glycerophosphates, the oldest and most famous strength creating tonics.

Revival Meeting

"The Boy Who Took a Journey He Did Not Like" is the theme of Rev. Timberlake's discourse for this evening. This sermon is illustrated on a large white canvass each step of it is so plain that the smallest child can understand. This is a sermon especially for the young people. Owing to the inclement weather there were not so many out as there were the night before. Dr. Timberlake preached a wonderful sermon, "A Vision of Our Opportunities," showing the Christian the many advantages one has by being a child of the King. Dr. Timberlake is a scholar, and logical preacher. He was born in Georgetown, Ky., is a graduate of the Baptist State University, has preached to large intelligent audiences in the North, South, East and West. He comes from the bluegrass region, where good, wide-awake preachers are born. Come out all those who want to help win this battle we have pitched against sin in Maysville. Let's try to save our boys and girls. Come, hear this man of God.

SALES OF LEAF TOBACCO ARE VERY LARGE HERE

Large Amount of the Weed on the Floor of Local Houses Today—Prices Still High and Crop Averages Good.

Today was another very big day on the Maysville looseleaf tobacco market and while prices were still about the same they were yesterday and the preceding days of this week there were an unusually large number of high priced crops with crop averages of more than forty dollars.

Sales were held at the Planters, Independent and Farmers houses and the week was closed in good form and with the market much higher than when it closed last week, according to some of the best posted tobacco men on the market.

Prices again went up near the ninety dollar mark, many baskets being sold at \$89 per hundred pounds.

Frankfort, Ky., January 23—The tobacco market sold 80,015 lbs. today, that averaged \$35.75. Prices ranged from 12c to 81c. Grade prices unchanged. Block sale on at the Growers' House will clean up all tobacco in town tomorrow.

WEALTHY CITIZEN OF FLEMINGSBURG IS DEAD

Flemingsburg, Ky., January 24—C. M. Fleming, about 64 years old and one of the wealthiest men in this county, died at his home in this city Thursday after a lingering illness of complicated troubles. He leaves a wife, Mrs. C. M. Fleming, and one daughter, Miss Mary Elizabeth Fleming Brent, of Cleveland, Ohio, with a host of other relatives. Funeral Saturday morning here at 10 o'clock.

TURNER-MINEER

Mr. Owen Mineer, aged 21, of Burtonville, and Miss Anna B. Turner, aged 21, of Mt. Carmel, were married in the County Clerk's office here this morning by County Judge H. P. Purcell.

SMALL COUNTY SCHOOLS CLOSED

Because of the influenza breaking out in new districts in the county several of the one-room school houses in the county have been ordered closed by County Superintendent Turnipseed.

Miss Nannie Keith Bouldin, bright little daughter of Mr. and Mrs. Pickett Bouldin, of Forest avenue, who has been seriously ill with pneumonia for several days, is today reported as critically ill and little hopes are now entertained for her recovery.

Mr. John Armstrong, who has been confined to his home on Forest avenue for the past several days with influenza, was able to be up for the first time today.

OHIO TOBACCO MEN COMPLAIN ON FERRY SERVICE

Maysville Tobacco Men and Chamber of Commerce Asked to Help Ohio Farmers in Delivery of Tobacco.

Aberdeen, Ohio, January 24, 1918. Mrs. Noah Shelton has been taken suddenly and seriously ill last Saturday but is considerably improved now.

Mr. Sam Stewart lost a valuable driving horse last week when the animal, which was tied to a tree, in some manner hung itself.

Miss May Wallace entertained several friends with a 6 o'clock dinner last Friday evening.

Mr. Nute Huron, had the misfortune to have his left eye very seriously injured while at work at the Reynolds Redrying plant in Maysville when a nail struck him piercing the eyeball.

Mr. Lewis Campbell who has been one of Uncle Sam's boys is home.

About the only thing seen on our streets now is tobacco.

An auto truck loaded with about 5,000 pounds of tobacco came here Tuesday to cross the river but was refused passage on the ferry because of its extreme weight. The owner of the tobacco had to have it loaded on wagons to be taken across. It is understood the man laid in complaint to the tobacco men and Chamber of Commerce at Maysville to see if the situation could not be remedied as he had quite a large amount of tobacco to be brought to the Maysville market.

The remains of Mr. Allan Dodd, a former resident, who died in Cincinnati was brought here Tuesday for interment.

Mrs. Harry Bell and son and Mrs. Pearce Farley returned to their home in Dayton, Ohio, after a visit with Mr. and Mrs. B. C. Farley.

Mr. A. E. Games was displaying a freak leaf of tobacco the other day found in the crop raised on his place by Mr. Cooper Fulton. The leaf was really three in one for there was three large well developed leaves branching out from the leaf which made it the shape of a crow's foot.
